TABLE 3: ALL OTHER BUILDING WORK

Notes:

1. For loft / basement conversions there is a minimum fee of £470
2. For domestic extensions over 60m² there is a minimum fee of £470
3.
If a 'full plans' application is being made for work requiring a fee of £270 or less the whole fee is payable upon application. Otherwise, 40% of the total fee will be required with the application form as the plan fee. An invoice will be sent on commencement of the work for the remaining 60%, which forms the 'inspection fee'.
4. The estimated cost should be in line with recommended RICS rates, not including VAT or fees paid to architects, etc.
5. Where work is concerned with the provision of access or facilities for a disabled person, in certain circumstances there are exemptions from fees. Please contact Building Control
6. If electrical works are part of a larger project, no further fee is payable. The fee for an application purely for electrical works should be calculated on the basis of Table 3, however a BS7671 completion certificate will need to be issued by an electrician registered with an approved 'competent person' scheme. This electrician should be appointed by the applicant.
