

***Summary of comments made on the Executive Agenda for  
Wednesday 27 June 2018***

**3. Fit for the Future (FFF) Change Programme**

The Finance & Audit Scrutiny Committee supported the recommendations in the report.

**5. Increased Litter Bin Provision**

The Overview & Scrutiny Committee welcomed and supported the recommendations in the report.

Ideas were raised about using new technology where possible and providing different types of refuse bins in different areas, based on demand and use, e.g. Parade in Leamington Spa might have different requirements to quieter streets, such as Milverton Hill in Leamington Spa.

The Committee was pleased that these proposals would cover the District.

The Finance & Audit Scrutiny Committee fully supported the recommendations in the report.

**6. Public and Press - Done**

**8. Europa Way - Update**

The Finance & Audit Scrutiny Committee supported the recommendations in the support.
