151. **Declarations of interest**

There were no declarations of interest.

152. **Minutes**

The minutes of the meetings held on 14 and 28 January and 11 February 2015 were taken as read and signed by the Leader as a correct record.

Part 1

(Items on which a decision by Council is required)

153. **Revisions to the Constitution**

The Executive considered a report, from Democratic Services, that brought forward proposed changes to the officer scheme of delegation; provided clarification on public speaking procedures for Council, Executive, Committees and Sub-Committees; along with updated Guidance and Criteria for the call-in of Executive decisions.

The report included some minor updates to the scheme of delegation; many confirming the arrangements already approved by Council, such as the revised Service Areas and new legislation.

The changes to the public speaking arrangements were brought forward to provide clarification on the public speaking rights at Council, Executive, Committees and Sub-Committees. This provided a single reference point detailing how these arrangements could be utilised. These also provided improved rights for members of the public to speak at Council meetings.

The changes to the call-in procedures were brought forward to provide improved clarity on what matters could and could not be called-in along with clarifying the wording in Council procedure rules for calling-in an item.

The final recommendation of the report was included to ensure that no ambiguities or conflicts appeared in the Constitution as a result of these decisions.

An alternative option was that the Executive could choose to leave the Constitution as it was but the risks detailed at section 6 would apply or they could decide to approve some and not others

The Overview & Scrutiny Committee was surprised that clause A(3) did not state an indicative upper cost limit at which point consultation with the Portfolio Holder or the Leader would be required before going ahead.

The Overview & Scrutiny Committee recommended to Executive that:
Page 22 – MO (8) - the wording was altered to read "Appoint the membership of *any additional* Licensing & Regulatory Sub-Committees known as Licensing & Regulatory Panels"; and
Page 23 – MO (13) the wording was altered to read "*Initiate* reviews of the Members' Allowances Scheme". The words "in accordance with that Scheme" should be deleted.

The Democratic Services Manager & Deputy Monitoring Officer explained to the Executive that Overview & Scrutiny Committee had informally asked officers to look at DS4(ii) to ensure the wording was correct. Following discussions with the Head of Development Services, it was agreed that the Executive should be advised to remove this delegation as it was not required.

The Leader welcomed the comments from the Scrutiny Committee and recommendations in the report were agreed, subject to the changes they proposed along with the removal of delegation DS4(ii) being made. The Executive also asked the Monitoring Officer to consider the comments from the Scrutiny Committee regarding Counsel fees and provide advice on this ahead of Council in April 2015.

The Executive therefore

Recommended to Council that:

- (1) the proposed draft scheme of delegation be amended to: subject to MO (8) the wording is altered to read "Appoint the membership of *any additional* Licensing & Regulatory Sub-Committees known as Licensing & Regulatory Panels; MO (13) the wording is altered to read "*Initiate* reviews of the Members' Allowances Scheme". The words "in accordance with that Scheme" should be deleted and DS(4)(ii) – Page 24 – being removed;
- (2) the revised Scheme of Delegation as set out in Appendix 1 to the minutes be adopted,

- (3) it adopts the procedure rules for public speaking as set out at Appendix 2 to the minutes.
- (4) the document "PROCEDURE FOR PUBLIC SPEAKING AT COUNCIL MEETINGS" is removed from the Constitution;
- (5) the updated Call-in procedure is approved as set out at Appendix 3 to the minutes;
- (6) the Call-in explanation and guidance is adopted as set out at Appendix 4 to the report;
- (7) any consequential changes to the Constitution as a result of these decisions are made by the Deputy Chief Executive & Monitoring Officer.

154. The way forward for scrutinising Health Issues at Warwick District Council

The Executive considered a report from the Overview & Scrutiny Committee in partnership with Councillor Coker, as Portfolio Holder for Health & Community Protection, that brought forward recommendations for a proposed Health Scrutiny Committee and sought approval from the Executive for the budget implication connected with the Chairman's allowance.

The changes to the health service introduced by the Health and Social Care Act 2012 meant that local authorities had an increased role in delivering health & wellbeing as a result of public health responsibility being transferred from the NHS to Local Government. In liaison with the County Council, through a nationally funded pilot scheme, the benefit of having a District based health scrutiny arrangement was established.

The pilot coincided with strategic changes within this Council to align its services to meet the new public health arrangements at county level. The new Health Scrutiny arrangement was therefore seen as key to ensuring that the Council delivered against its own strategic aims within the Sustainable Community Strategy and also met the requirements of the County Health & Wellbeing Board strategy.

The recommendation that the Committee handle pre-scrutiny work had been made so that there was limited overlap in responsibility with the other two existing Scrutiny Committees, which often do not get sufficient time to handle pre-scrutiny work in sufficient depth.

It was intended that the existing two Scrutiny committees continued to function as they always had and that the Health Scrutiny Committee concentrated on pre-scrutiny of reports concerning Health & Wellbeing issues and strategic health issues and health and wellbeing consultations only. This meant that the Health Scrutiny Committee did not have to meet on the same day as the other two Scrutiny committees or shortly after the agenda was published for meetings of the Executive. The impact of this split was that the committee could be staffed from existing staffing resources within Committee Services and Health & Community Protection, as had been the case with the Health Scrutiny Sub-Committee. Experience from running the Health Scrutiny Sub-Committee would indicate that meetings were not required each month, but obviously the option to call additional meetings remained in place should business needs require this.

The Health Scrutiny Committee would consider health and wellbeing issues only and as such would require the same powers to ask certain individuals and organisations to address them. Equally, since one of the aims of the Committee would be to improve health and wellbeing in the District, the Committee must be able to hear evidence from the Voluntary Sector and other public health bodies.

In pre-scrutinising reports, the committee must be assured that its comments were acted upon by report authors, or good reason given why this was impractical. This would ensure that the other two Scrutiny Committees did not have to repeat the process when they examined final reports.

There were a number of options detailed within the report that included the operation of a Health Scrutiny Committee in parallel to the current two Scrutiny Committees, the work of health scrutiny being merged into the work plan for Overview & Scrutiny Committee and the continuation of Health Scrutiny as a Sub-Committee of the Overview & Scrutiny Committee. Reasons for not progressing with these options were outlined in the report to the Executive.

The Overview & Scrutiny Committee noted the recommendations in the report.

Resolved that the Chairman's Allowance for 2015/16 be funded from the 2015/16 Contingency Budget and the additional cost be built into the Financial Strategy and future year's Budgets.

Recommended to Council that

- (1) a committee be formed to handle pre-scrutiny of selected Council reports, documents and policies, where health and wellbeing is an issue, and will select these from information on the Forward Plan, before they reach final stage, and from liaison with the Corporate

Management Team and the Senior Management Team. All members of the Council will also be able to suggest reports that require pre-scrutiny of health and wellbeing issues. The Committee will also deal with scrutinising strategic health issues and health related consultations;

- (2) this committee be named the Health Scrutiny Committee;
- (3) this committee should consist of at least 11 members and also substitute members (but this may be subject to change after the elections in May 2015 to ensure political proportionality);
- (4) the membership of the committee should be politically proportionate;
- (5) scrutiny of final reports for Executive will remain the responsibility of the two existing Scrutiny committees;
- (6) the Health Scrutiny Committee will be resourced from existing staff resources from within Committee Services and Health & Community Protection;
- (7) the terms of reference for the committee be framed by the Council's Health and Wellbeing Strategy, viz;
 - i. promoting Health & Wellbeing in its community;
 - ii. promoting Health & Wellbeing in its workforce; and
 - iii. as a scrutiny body for the local activities and performance of NHS bodies located within the District of Warwick and in other areas of Warwickshire, in liaison with and the County Adult Health & Social Care Overview and Scrutiny Committee
- (8) in order to assist the committee in its scrutiny arrangements, the powers will include the capability of inviting individuals and organisations to present evidence on particular health issues. Every meeting agenda will make provision for the involvement of the Voluntary Sector, and of Public Health Warwickshire,

representatives of which will be called upon to attend and to speak;

- (9) report authors will be required to take on-board any pre-scrutiny comments/recommendations in respect of their reports or give good reason why this is impractical;
- (10) the committee will run along the same procedure lines as the existing two Scrutiny committees where their functions coincide;
- (11) the Head of Service for Health & Community Protection will encourage officers to take their ideas to the Committee at an early stage through encouragement at senior management meetings;
- (12) meetings for the new committee be set in the Council's calendar every other month, with the option to call additional meetings if required for urgent business; and
- (13) the District Councillor who represents the Council on Warwickshire County Council's Adult Social Care & Health O & S Committee will serve as a member of the District Council's Health Scrutiny Committee.

(Items on which a decision by Council is not required)

155. IT Provision for Councillors from May 2015

The Executive considered a report that brought forward proposals for the provision of IT to Councillors after the Election in May 2015, which included improved security for confidential agenda paperwork.

The Executive was aware of an ongoing trial with members using iPads that started in the summer of 2014. Councillors Nick Pittarello, Moira-Ann Grainger, Richard Edwards, Richard Brookes, Norman Vincett, Alan Rhead, Felicity Bunker, John Barrott, Alan Boad, Alan Wilkinson, Cymone De-Lara-Bon, Judith Falp and Tony Heath had participated in the trial, whereas Councillors Doody and Mrs Sawdon returned their iPads and officers were unable to deploy them to two other Councillors.

Learning from the trial showed the main issues as:

- Storing and access to documents
- Storing of and managing emails
- Usability of committee papers and annotating them

- Access to the intranet
- Dual reading of Scrutiny & Executive papers

In addition to the learning points, printing was never resolved satisfactorily during the trial and typing on the iPad became an issue for some members. These issues could now be resolved by the option of providing a printer and the provision of Microsoft Office on the iPads.

In parallel to this trial, a group of officers had been trialling Microsoft Office365. This provided all the usual Microsoft products (Word, Excel and Outlook) but they could be accessed, securely from any device connected to the Internet.

Astech, the supplier of the Council's Committee Management System, had also developed an App for delivering its system on Apple, Android and Windows 8 based devices. The App for the Apple based system would be launched first.

The App for the Committee Management System would automatically, when connected to a Wi-Fi network, download the relevant /correct committee papers for a Councillor. These would be held in a secure area within the iPad which enabled Councillors to make their own annotations onto the document. It also prevented printing or emailing the document to another party, so reducing the risk of documents being passed to third parties, unintentionally or otherwise. Combined with this, the App would automatically delete the documents downloaded from the iPad, three months after the date of the meeting therefore reducing the storage needed.

Officers had assessed this information and, after informal discussions and demonstrations with the Leader and Group Leaders, had brought forward these proposals.

While Members could be dissatisfied about the proposal to stop the broadband allowance for them this enabled the provision of 3G connection on the iPad, so they would be able to access the Internet from any place at any time with a strong enough signal. This would improve their ability to work in a more agile manner, for example being able to access information while at surgeries. In addition to this, the iPad would still be able to connect to secure Wi-Fi networks, for example those at Riverside House and the Town Hall, but also those within a Councillor's home.

The cessation of paper copies would reduce costs and enable the allocated budget to contribute to the costs of providing 3G connectivity. By reducing the paper consumption and the need for posting documents in plastic envelopes, it would contribute towards reducing the environmental impact of the Council.

It was recognised that the Council would need to make provision for reasonable adjustments for any councillor with disabilities unable to adopt this approach, to meet its responsibilities under the Equality Act 2010. In

these instances the nature of the adjustments required would be discussed with the Councillor and appropriate officers.

The move to electronic rather than paper based systems would take a little longer to migrate to. While there were key members of staff who always attended meetings such as the Chief Executive, Deputy Chief Executives and Head of Finance, there were also those who attended meetings less frequently. This was where some further consideration needed to be made to roll out this process over the next 12 months.

The purpose of moving to iPads was to enable more agile working and also reduce the need for printing. That said, officers recognised that some members would still require a printer for Council business. Therefore, to further encourage members to print less information the proposal was to provide a suitable printer for use with an iPad but not the consumables, thus further reducing the overall cost to the Council.

It was felt appropriate that members should sign up to the same agreement as officers before being provided access to the Council's network and facilities. This was good practice to ensure members were aware of what was expected of them and highlighted what they could use the Council's IT for. Equally, this emphasised the point of members leading by example and of the Council being a single body with shared levels of expectation.

It was essential that appropriate training was provided for members at an early stage so that they could become effective and efficient as soon as possible. It should also minimise the risk of users being discouraged from using the technology if issues discovered early on were dealt with quickly. It was recognised that the skills base of members in relation to using iPads would be wide-ranging and therefore the training would cater to all needs within this range, however the Executive might wish to consider seeking some form of mandatory course, or simple test, to help inform Councillors' training needs on iPads.

Councillors should be mindful that the move to electronic agendas would impact on staffing requirements for printing and distribution. At present, these impacts were considered to be minimal and would be included as part of the Support Services Review and ongoing management of the relevant teams.

The Finance & Audit Scrutiny Committee discussed this item but was unable to question the report author. A number of issues were raised including existing trial users being unable to report back their experiences formally and the difficulties of juggling two agendas. However, there was also support for the project with a view that this was the way forward with new generations of Councillors.

The Overview & Scrutiny Committee recommended that all recommendations in the report were removed and replaced with:

- 2.1 That the Executive awaits a detailed update on the results of the iPad trial, and, if necessary, extends the trial.

- 2.2 That the Executive agrees that further work be undertaken to improve the system prior to the submission of a report to the Executive at a later date; and
- 2.3 That the Executive is assured that adequate IT provision arrangements are in place for new councillors.

The Leader recognised the proposals were the way forward for the Council and it did offer a number of benefits. That said, there were concerns from members with regard to this proposal and the Leader knew that before it progressed, a significant majority of members needed to be comfortable with the new technology.

In response to the comments from Overview & Scrutiny Committee, the Leader accepted the concerns of members of this Council and those of the Overview & Scrutiny Committee and therefore proposed that:

1. The Executive notes the concerns of members with regard to moving away from paper agendas and reports;
2. The Executive authorises the current trial of iPads to be continued;
3. The Executive receives a further report in the Autumn of 2015 detailing the progress of the trial and how the issues raised have been resolved and recommending a way forward; and
4. Officers make sufficient IT provision for Councillors after the election in May 2015.

The Leader also explained that any Councillor who did wish to take forward an iPad after the Election would be asked not to claim for a Broadband allowance in lieu of receiving a 3G iPad.

The Democratic Services Manager & Deputy Monitoring Officer explained to the Executive that because of the removal of any proposed change to the Members Allowances scheme this was now a matter for the Executive to determine and would not be a recommendation to Council on 22 April 2015.

Resolved that

- (1) the concerns of members with regard to moving away from paper agendas and reports, be noted;
- (2) the trial period of iPads, be continued; and
- (3) a further report be brought to the Executive in the Autumn of 2015; detailing the progress of the trial and how the issues raised have been resolved; and recommending a way forward; and
- (4) Officers make sufficient IT provision for Councillors after the Election in May 2015.

156. **Use of Delegated Powers – Social Housing Mobility Fund**

The Executive considered a report, from the Chief Executive, that retrospectively reported on a decision made under the Chief Executive's delegated powers, in consultation with the Group Leaders, to submit a bid for the Government's Social Housing Mobility fund.

Provision CE(4) of the Scheme of Delegation, contained within the Council's Constitution provided for the Chief Executive (and in his absence the Deputies) to have authority to: *'deal with urgent items that occur between meetings, in consultation with the relevant Deputy Chief Executives, Heads of Service (if available) and Group Leaders (or in their absence Deputy Group Leaders) subject to the matter being reported to the Executive at its next meeting'*.

The Department for Communities and Local Government (DCLG) announced on the 5 February 2015 a Social Housing Mobility Funding Scheme; the scheme allowed Local Authorities to bid for up to £67,613 for schemes to improve mobility within social housing. The bid was required to be submitted to DCLG by the 5 March 2015, requiring the use of the delegated powers provision to meet the timetable, with this being the first available opportunity to retrospectively report to Executive. Successful bids would be announced by the DCLG at the end of March 2015 and if successful, funds would be paid in April 2015.

The application for funding would allow WDC to provide tenants of the Council and Registered Providers (RPs) working in the District with a more flexible allocation service. The resources offered by the Social Housing Mobility Scheme would allow the Council to recruit a Social Mobility Co-ordinator who would develop and implement new and innovative ways of working to improve social housing mobility within Warwick District. The Chief Executive consulted with Group Leaders who agreed their support for the bid

This was a retrospective report of action taken so no alternative options existed.

The Finance & Audit Scrutiny Committee supported the decision and noted that the funding bid had been successful. Members asked the Head of Housing & Property Services to circulate the bid document which detailed how the department hoped to allocate the money

The Executive endorsed the report, with the support of the Portfolio Holder for Housing and Property Services and

Resolved that the use of delegated power CE(4) by the Chief Executive to obtain Group Leaders' (or their Deputies') approval to support a bid for £67,613 from the Governments Social Housing Mobility fund.

(The Portfolio Holder for this item was Councillor Vincett)

157. **Significant Business Risk Register**

The Executive considered a report, from Finance, that set out the latest version of the Council's Significant Business Risk Register for review by the Executive. It had been drafted following discussions between the Leader of the Council, Chief Executive, Monitoring Officer, Section 151 Officer, and the Audit & Risk Manager.

The report was brought forward to assist members to fulfil their role in overseeing the organisation's risk management framework

The Finance & Audit Scrutiny Committee supported the recommendations in the report but was concerned that the document was not as accurate as it could be. Members were assured by the Leader that an additional risk would be added to deal with Infrastructure funding, separately from the Local Plan risk.

The Leader noted the comments of the Finance & Audit Scrutiny Committee and highlighted that this should be a matter for the new Leader of the Council to consider after the Election in May 2015.

Resolved that the Significant Business Risk Register, as attached at Appendix 1 to the report, be noted.

(The Portfolio Holder for this item was Councillor Mobbs)

158. **Smoking etc. Policy**

The Executive considered a report from Health & Community Protection, that sought approval for the Council's Smokefree Policy to take into account the use of e-cigarettes or Nicotine Containing Products (NCPs) on the Council's property.

Employment Committee approved the report's recommendations on 27 January 2015. The report was before the Executive because of the Policy's application to non-employees visiting Council premises and to its land and property.

A breath-operated nicotine device called the 'Voke' that looked and felt like a cigarette but contained no electronics, heat or combustion had received approval from the Medicines and Healthcare Regulatory Agency (*The Times, September 13, 2014*).

Its backers insisted it was not an electronic cigarette but a smoking cessation device intended to help addicts to quit smoking. The technology was said to be entirely different from an e-cigarette, in that there was no heat or electronics. It contained a pressurised aerosol and a propellant used in asthma inhalers.

Approval from the Medicines and Healthcare Regulatory Agency meant that eventually doctors could prescribe the devices to smokers. The Voke came in a box shaped like a cigarette packet, which contained 20 refills. Each one was sufficient for six to ten puffs – to simulate conventional smoking.

The use of alternatives to cigarettes ('Vaping') had surged over the past three years. One in five tobacco smokers and recent ex-smokers were said to use electronic inhalers from time to time.

Action on Smoking and Health, which campaigned against tobacco use, welcomed the device's approval because there were many electronic cigarettes already on the market that were popular with smokers who were trying to cut down or quit smoking, but none of them so far were licensed as medicines.

The alternative option was to allow the free use of e-cigarettes but this would be inconsistent with both the behaviour and image that the Council fostered with respect to Health & Wellbeing.

The Overview & Scrutiny Committee noted the recommendations in the report.

Resolved that Council's smoking policy be revised to prohibit the use of e-cigarettes on Council premises etc.

(The Portfolio Holder for this item was Councillor Coker)

159. **Public and Press**

160. **Payroll Review**

The Executive considered a report from the Chief Executive.

The Finance & Audit Scrutiny Committee supported the recommendation in the report subject to clarifying the wording of recommendation 2.2 and the potential costs involved.

In response to amendments requested by the Scrutiny Committee, the Executive

Resolved that the recommendations as set out, subject to the minor wording changes, be approved.

(The Portfolio Holder for this item was Councillor Mobbs)

(Forward Plan reference 691)

162. **Minutes**

The confidential minutes of the meetings held on 14 and 28 January and 11 February 2015 were taken as read and signed as a correct record.

163. **Thanks**

The Leader took the opportunity to thank all the Executive, Scrutiny Committee members, other Group Leaders, Committee Services and Senior Officers of the Council, for all their efforts in their work for this Council.

The Leader also took the opportunity to thank Councillors Caborn and Vincett for their work on the Executive and the Council, because they were not standing for election.

In response, Councillor Shilton thanked the Leader for his work since taking on the role.

(The meeting ended at 6.55pm)

The public will only be permitted to address the Council, Committees or Sub-Committees on confidential matters when they are specifically invited to do so. For example as an applicant for a Hackney Carriage/Private Hire Driver's licence.

You will be permitted to speak in relation to any of the following items included on the agenda: notice of motion, petition, report or minutes of another committee. Any request to speak on other items will be a matter of discretion for the Chairman.

Speakers will be encouraged and helped to contact each other so that repetition can be avoided. This means that you may be given the names, addresses and telephone numbers of other speakers on the same issue and they may be given your details, but only with your permission. It may be helpful for a spokesperson to speak on behalf of all speakers. Where a number of speakers cannot agree on a spokesperson, they will be heard in the order in which they registered their intention to speak, until the 5 minute period ends.

Call-in Explanation and Criteria

What is a call-in?

A call-in is simply the referral of a decision made, but not yet implemented, to the Overview & Scrutiny Committee. It is a key way of holding the Executive to account. A called-in decision cannot be implemented until it has been considered by the Overview & Scrutiny Committee, which can examine the issue and question the decision-taker on the actions taken.

What can be called-in?

Call-in powers relate to Executive functions. Subject to the exceptions listed below, any decision made by the Executive, or a *key decision* made by an officer with delegated authority from the Executive, may be called-in.

What can't be called-in?

The following categories of decision cannot be called-in:

- a decision which is not a key decision, and which has been taken by an officer under delegated powers. (*If, in the future, delegation to individual Members of the Executive is permitted, this exclusion will also apply to non-key decisions taken by the Leader or a Portfolio Holder under delegated powers*);
- a decision which the decision-taker has certified as urgent (giving reasons) in accordance with the Council's Rules of Procedure;
- a decision relating to a matter which has already been the subject of a call-in during the previous six months;
- any decision relating to a non-Executive function, whether taken by a Committee or an officer under delegated powers;
- a decision by the Full Council; or
- a decision taken at stage 4 of the call-in procedure (see below).

In particular, it should be noted that the Overview & Scrutiny Committee cannot scrutinise individual decisions made by, or on behalf of, the Regulatory Committees of the Council, e.g. decisions relating to development control, licensing, registration, consents and other permissions. Nor can it scrutinise decisions relating to individual members of staff taken by the regarding staffing appeals or officer appointments. Furthermore, although they may be key decisions (and included in the Forward Plan), decisions taken by the Executive when preparing annual budget or new policy proposals *for submission to the Full Council* will not be subject to call-in. In these circumstances, the Full Council is responsible for the final decision and, in any event, the Council's Rules of Procedure require that the Overview & Scrutiny Committees must be consulted by the Executive, even if they have been involved earlier in the process anyway.

When can a decision be called-in?

It is important that the call-in process is not abused, nor causes unreasonable delay; the main tool of the Overview & Scrutiny Committee to improve the delivery of policies and services, should be detailed reviews, rather than call-ins.

The Council Procedure Rules specify formal safeguards for the use of call-in. These include rules about the number of Members who must request a call-in

and a restriction that prevents any decision on the same matter being called-in on more than one occasion within a six-month period. Call-in of a decision should be reserved for exceptional circumstances. Broadly, a decision can be called-in when Members:

- believe it may be contrary to the normal requirements for decision-making;
- believe it may be contrary to the Council’s agreed policy framework and/or budget; or
- need further information from the decision-taker to explain why it was taken.

Call-in checklist

The above rules and criteria can be brought together in the following checklist of questions (or tests) that can be used when a member is considering a call-in. Questions 2-5 can also be used by authors to test draft reports for Executive.

1.	Can the decision actually be called in?	
<i>If the answer to any questions 1 (a)-(g) is yes, then the decision CANNOT be called-in.</i>		
a)	Does it relate to a non-Executive function?

f)	Does the decision relate to the formulation of a policy or budget matter that requires Full Council approval?	
g)	Was it a decision taken by Full Council?	
2.	Was the decision in accordance with the Council’s policy framework?	
a)	What is the relevant policy or strategy?	
b)	Is the decision contrary to that policy?	
c)	If yes, how?	

3.	Was the decision in accordance with the agreed budget or budget procedures?	
a)	Is there funding for the proposal in an agreed budget/capital programme?	
b)	If no, have the rules for virement and supplementary estimates been observed?	
4.	Was the decision taken in accordance with the principles of good decision-making (Article 12 of the Constitution)?	
a)	Does the decision comply with the Council's constitution, i.e.:	
	• Articles of Constitution?	
	• Scheme of Delegation?	
	• Rules of Procedure?	
	• Codes and Protocols?	
b)	Was the decision reasonable within the common meaning of the word, i.e. rational, based on sound judgment?	
c)	Was the decision reasonable within the legal definition of 'reasonableness', i.e. was everything relevant taken into account, and was everything irrelevant disregarded?	
d)	Was the decision proportionate, i.e. is the action proportionate to the desired outcome?	
e)	Was the decision taken on the basis of due consultation?	
f)	Was the decision taken on the basis of professional advice from officers?	
g)	Were human rights respected and/or will the decision give rise to any human rights implications, i.e. without discrimination, the right of an individual to:	
	• liberty and security;	
	• the enjoyment of their property;	
	• a fair trial;	
	• respect for private and family life;	
	• freedom of thought, conscience and religion;	
	• freedom of expression; and	
	• freedom of assembly and association, etc.?	

h)	When the decision was taken, was there a presumption in favour of openness?	
----	---	--

5.	Has the decision been well explained, i.e. do you need more information?	
a)	Was it clear what the reasons for the decision were?	
b)	Was it clear what the desired outcomes were?	
c)	Was it clear what alternative options (if any) were considered?	
d)	Was it clear why the alternative options were not chosen?	
e)	Do you need any more information/clarification?	

How does call-in work?

Every decision that is subject to potential call-in cannot be implemented until the end of the call-in period. The call-in period lasts for *five working days* after notice of the decision is published by Democratic Services.

Decision notices will normally be published on the next working day after the meeting. This means that the normal call-in period will expire at 5pm on the fifth working day after the meeting (adjusted for bank holidays as appropriate). The call-in procedure itself follows four stages.

Stage 1

A valid call-in request must be submitted in accordance with the current rules in the Constitution. The request must say who is making the call-in and to which decision it relates. It must also give reasons why the decision is being called in. Requests may also be submitted by e-mail. If the call-in is to be submitted by e-mail, only one Member need submit the actual form. However, individual e-mails (or letters) in support of the request must also be submitted by the other Members specified on the request form before the end of the call-in period.

Stage 2

When the Chief Executive has received a valid call-in request with respect to a decision, then that decision may not be implemented until that decision has completed the call-in procedure. Officers will refer the call-in to the next available meeting of the Overview & Scrutiny Committee. A special meeting may also be convened if appropriate, e.g. in cases of urgency or a meeting is not scheduled for more than six weeks. Members who have requested the call-in will have the right to address the Committee when it deals with the issue.

Stage 3

The Overview & Scrutiny Committee will consider the called-in decision and decide to take one of the following courses of action (the Overview & Scrutiny Committee's decision should not be adjourned or delayed without an exceptional reason):

- to allow the decision to be implemented without further delay;

- to refer the decision back to the Executive irrespective of who the original decision-taker was) together with the observations of the Overview & Scrutiny Committee. The Executive will then take the final decision, and that decision may not be called-in;
- to request the Executive to allow further time for the Overview and Scrutiny Committee to consider the issue and make observations at a later date;
- to seek the advice of the Monitoring Officer and/or the Chief Finance Officer as to whether the decision is contrary to, or not wholly in accordance with, the policy framework or the budget and, if applicable, to refer the matter to the Full Council for a final decision.

Stage 4

Reference back to Executive

Where the Overview & Scrutiny Committee decides to refer the decision back, the Executive must reconsider the decision in the light of any observations of the Committee. Where the Overview & Scrutiny Committee has requested more time to consider an issue, the Executive must have regard to the urgency, and to the Budget and Policy Framework Rules, when deciding whether to implement the decision.

Reference to Monitoring Officer and/or Chief Finance Officer

The Overview & Scrutiny Committee may refer any called-in decision to the Monitoring Officer and/or the Chief Finance Officer if it considers it to be contrary to the policy framework or budget. The officer(s) will then submit a report on the matter to the next meeting of the Executive. A copy of this report will be sent to all Members of the Council. No action may be taken in respect of the decision or its implementation pending that meeting.

If, in that report, the Monitoring Officer and/or the Chief Finance Officer is of the view that a decision referred to them by the Overview & Scrutiny Committee is not a departure from the policy framework or budget, the decision may be implemented immediately. A report to this effect will be submitted to the Overview & Scrutiny Committee for information. If, however, a referred matter is deemed to be a departure from the policy framework or the budget by the Monitoring Officer and/or the Chief Finance Officer, the Executive has two options.

Firstly, it may choose to adjust its decision to bring it within the policy framework or budget, in which case it can then be implemented. In these circumstances, the Executive would submit a report to the next meeting of the Overview & Scrutiny Committee explaining its actions.

Secondly, if the Executive does not wish to adjust its original decision, it must prepare a report for the Full Council. This report must include the views of the Overview & Scrutiny Committee. No action may be taken in respect of the decision or its implementation until the Council has met to consider the matter.

Reference to Full Council

Subject to the provisions above, the Overview & Scrutiny Committee may require that any called-in matter *which has been deemed to be (and remains)* contrary to the policy framework or budget is referred to the Full Council. The report to the Full Council will set out the views of the Executive and the Overview & Scrutiny Committee and the advice of the Monitoring Officer and/or the Chief Finance Officer. The Council may:

- decide that the decision is within the existing policy framework and/or budget (in which case it can be implemented); or
- amend the financial regulations or policy concerned to encompass the decision (in which case it can be implemented); or
- agree that the decision is contrary to the policy framework or budget and require the cabinet to reconsider the matter in accordance with the advice of the officer(s).
