

Addendum 2 Item 15

Executive, 12 February 2020

Item 15 – Warwick Castle Masterplan

Officers would like to advise of an additional paragraph at Page 73, under the heading "Guiding Principles" after point 7, to read:

"8. Whilst recognising that maintaining and managing integrity and significance of the heritage assets is a priority, consideration will be given to the environmental sustainability of any proposal, including the potential to achieve carbon neutral development".
