-
1. Attached at appendix 1 to this document is a copy of the Platinum Jubilee Civic Honours Competition bid by Warwick Town Council to become a City.
 2. The Leader has requested this be presented to Cabinet on 9 December, as an urgent matter, for its consideration, to seek formal support from the Council for the Bid.
 3. In this respect the decision to support the bid or not is a Cabinet function and not a decision of Council, therefore it needed to be brought to this meeting to enable the formal support for the application to be submitted.
 4. The proposal does not have any financial impacts for this Council and does not impact on the governance or status of this Council.
 5. Leader has shared the submission document and his proposal to support it at Cabinet, with the Cabinet, Ward Councillors for Warwick, Group Leaders and Scrutiny Chairs, to which no objections have been received.
