1 Finance Service Area Plan 2011/12

Purpose/Purposes of Services provided

Note: please write this from the customer's perspective. You may wish to include more than one purpose

- I want the Council's finances to be well managed, in accordance with best practice whilst ensuring best value for money is always obtained.
- I want to know how I can do business with the Council and be able to tender fairly on an equal basis along with all other perspective businesses.
- I require sound and understandable financial advice and a responsive support service to enable me to make the right decisions and to ensure the Council's services are properly managed .
- I want assurance that all risks are being properly managed and controls are in place.
- I want the right benefits that I am due at the right time.

2 Customer Measures – those important to the people/organisations who use our services

Note: these measures should be used on a daily, weekly or monthly basis to identify the impact of interventions in the system and to plan future interventions. Interventions may be very small adjustments to resources, or may involve transformational change
