To Whom it may concern

As Chairman of Warwick Chamber of Trade I am writing in support of the application by Warwick Folk Festival for a premises licence. The Folk Festival has been a part of Warwick life for many many years . Of all the events in the town it is the one which brings the most economic benefit to the town and the traders are always pleased when it comes around. It is run by a committed group of local people and in over 35 years at the Warwick School site I know of no complaints by residents. The whole town is buzzing and vibrant over the Folk Festival weekend and I urge you to support this application.

With best wishes
