

**Addendum for Council
5 August 2020**

Item 10. Overview & Scrutiny Committees

That subject to the recommendation from the Joint meeting of the Finance & Audit and Overview & Scrutiny Committees on 29 July 2020 Council amends Council Procedure Rules 34 Public Speaking (c) Committees - Scrutiny committees to read as follows:

A maximum period of 3 minutes is allowed for each speaker. If several people wish to speak on the same subject, they will be restricted to an overall total of 5 minutes. The time allowed for all speakers at any one meeting is limited to 30 minutes. The Chair will have discretion to increase the time available for speakers where they consider the matter has a significant public interest.

Speakers will be encouraged and helped to contact each other so that repetition can be avoided. This means that you may be given the names, addresses and telephone numbers of other speakers on the same issue and they may be given your details, but only with your permission. It may be helpful for a spokesperson to speak on behalf of all speakers. Where a number of speakers cannot agree on a spokesperson, they will be heard in the order in which they registered their intention to speak.
