1. Addendum

1.1 Recommendation

That Cabinet agrees to vary the Parking Order to enable the public to use the available parking at Riverside House, and to delegate authority to the Chief Executive in consultation with the Head of Neighbourhood and Assets and the Neighbourhood Services Portfolio Holder to agree the detail of that variation and also to apply for planning permission concurrently, and to implement these changes.

1.2 Reasons for the recommendation

The ability to use Riverside House forms a key part of the Displacement Plan when Covent Garden Park closes, in the short term. It is therefore important that it is available for use quickly, in the public interest. Warwickshire County Council will be consulted, and permission sought from planning at the same time.
