**Final Decision?** 

### 1. **SUMMARY**

1.1 Under the provisions of the Licensing Act 2003 an interested party may apply for a review of a premises licence if they feel that one or more of the licensing objectives are being undermined.

### 2. **RECOMMENDATION**

2.1 Members are asked to consider all the relevant information contained in this report and consider the evidence provided by Trevor and Christine Jones in their request for a review of a premises licence.

# 3. **REASONS FOR THE RECOMMENDATION**

- 3.1 Under the provisions of the Licensing Act 2003 a premises that sells alcohol requires a premises licence.
- 3.2 Art and Wine Limited applied for a premises licence on the 2<sup>nd</sup> July 2007
- 3.3 Officers from the Council's Environmental Health team objected to the licence, but after the applicant suggested changes, the objection was withdrawn and a premises licence was granted to permit:

Sale of Alcohol for Consumption on and off the Premises:

Everyday from 08:00 to 23:00

The opening hours of the premises:

Everyday from 08:00 to 24:00

3.4 A condition which had been agreed was also placed on the licence stating:

Sales for the consumption of alcohol on the premises will be ancillary to the business of selling wine or the viewing of art

3.5 The premises licence contains an operating schedule which forms part of the licence which states:

#### General

This is a niche business which combines the sale of art with the sale of fine wines. All staff will be trained n their responsibilities for selling alcohol.

The premises licence holder adopts Challenge 21 and staff will only be able to accept photographic ID in the form of driving licence, passport or ID with the PASS logo endorsed on it.

Customers will be assisted by staff in the wine display areas providing first class product information.

The premises will be selling expensive wines and will not attract persons under the age of 21 nor the casual shopper which will by its nature mean there will be only a few customers on the premises at any given time allowing personal supervision by staff.

- 3.6 Trevor and Christine Jones, through their solicitor, Kevin O'Gorman applied for a review of the premises licence on 25<sup>th</sup> October 2010 on the grounds of public safety and the prevention of public nuisance. The application is shown as Appendix 1.
- 3.7 Any other interested party or any responsible authority is permitted, by legislation, to 'join in' with the appeal and make representations of their own. The Council's Environmental Health section has submitted such a representation which is shown as Appendix 2
- 3.9 When considering the application the panel must give appropriate weight to:
  - a) The review application received.
  - b) Statutory guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003.
  - c) The Council's Licensing Policy Statement (Appendix 3).
  - d) The Licensing Objectives referred to, which, in this case, are:-

**Public Safety**

- 3.10 The Council's Licensing Policy Statement provides that the authority will take an objective view on all applications and review applications and will seek to attach appropriate and proportionate conditions to licences where necessary in order to ensure compliance with the four licensing objectives shown earlier.
