1. **Summary**

- 1.1 This report informs the Committee of its work programme for 2018 (Appendix 1) and of the current Forward Plan (Appendix 2).

2. **Recommendations**

- 2.1 Members consider the work programme and agree any changes as appropriate.
- 2.2 The Committee to; identify any Executive items on the Forward Plan which it wishes to have an input before the Executive makes its decision; and to nominate a Member to investigate that future decision and report back to the Committee.

3. **Reasons for the Recommendation**

- 3.1 The work programme should be updated at each meeting to accurately reflect the workload of the Committee.
- 3.2 Two of the five main roles of overview and scrutiny in local government are to undertake pre-decision scrutiny of Executive decisions and to feed into policy development.
- 3.3 If the Committee has an interest in a future decision to be made by the Executive, or policy to be implemented, it is within the Committee's remit to feed into the process.
- 3.4 The Forward Plan is actually the future work programme for the Executive. If a non-executive member highlighted a decision(s) which is to be taken by the Executive which they would like to be involved in, that member(s) could then provide useful background to the Committee when the report is submitted to the Executive and they are passing comment on it.

4. **Policy Framework**

4.2 **Supporting Strategies**

Each strand of the FFF Strategy has several supporting strategies; however, this report is for governance purposes. However, Members need to be mindful of the objectives above, when deciding what topics to add to the Work Programme.

The work carried out by the Committee helps the Council to improve in line with its priority to manage services openly efficiently and effectively.

4.3 **Changes to Existing Policies** - There are no changes to existing policies.

4.4 **Impact Assessments** - There are no new policy changes in respect of Equalities.

5. **Budgetary Framework**

5.1 All work for the Committee has to be carried out within existing resources. Therefore, there is a limit to the time available that officers will have to assist Members, so the Committee may wish to prioritise areas of investigation.

6. **Risks**

6.1 This Committee contributes to the effective minimisation of risk by fulfilling its duties in a timely manner and scrutinising the work undertaken by the Executive.

7. **Alternative Option(s) considered**

7.1 The only alternative option is not to undertake this aspect of the overview and scrutiny function.

8. **Background**

8.1 There are five main roles of overview and scrutiny in local government. These being:

- Holding to account
- Performance management
- Policy review
- Policy development
- External scrutiny

8.2 The pre-decision scrutiny of Executive decisions falls within the role of 'holding to account'. To feed into the pre-decision scrutiny of Executive decisions, the Committee needs to examine the Council's Forward Plan and identify items which it would like to have an impact upon.

8.3 The Council's Forward Plan is published on a monthly basis and sets out the key decisions to be taken by the Council in the next twelve months. The Council only has a statutory duty to publish key decisions to be taken in the next four months. However, the Forward Plan was expanded to a twelve month period to give a clearer picture of how and when the Council will be making important decisions.

8.4 A key decision is a decision which has a significant impact or effect on two or more wards and/or a budgetary effect of £50,000 or more.

8.5 The Forward Plan also identifies non-key decisions to be made by the Council in the next twelve months, and the Committee, if it wishes, may also pre-scrutinise these decisions.

8.6 There may also be policies identified on the Forward Plan, either as key or non-key decisions, which the Committee could pre-scrutinise and have an impact upon how these are formulated.

8.7 The Committee should be mindful that any work it wishes to undertake would need to be undertaken without the need to change the timescales as set out within the Forward Plan.

8.8 At each meeting, the Committee will consider their work programme and make amendments where necessary, and also make comments on specific Executive items, where notice has been given by 9am on the day of the Overview and Scrutiny Committee meeting. The Committee will also receive a report

detailing the response from the Executive, on the comments the Committee made on the Executive agenda in the previous cycle.

- 8.9 The Forward Plan is considered at each meeting and allows the Committee to look at future items and become involved in those Executive decisions to be taken, if members so wish.
