Suggested next steps (if not final decision please set out below)		
Final proposal will be submitted to Warwick District Council Planning Committee for agreement.		

1. **SUMMARY**

- 1.1 The report brings forward a proposal for amendments to the operation of the Planning Forum and establishing a clearly defined purpose.

2. **RECOMMENDATION**

- 2.1 That the proposed purpose and definition of Planning Forum is submitted to the Warwick District Council Planning Committee for approval.

3. **REASONS FOR THE RECOMMENDATION**

- 3.1 The revision are based on a discussion at the last meeting of the Forum and have been consulted on with all members of the forum, plus all Warwick District Councillors. No objections to the proposal have been made and several letters of support have been received.

4. **POLICY FRAMEWORK**

- 4.1 The revision to the process of Planning Forum will provide greater clarity on its work and purpose and would also enable greater engagement and training on planning matters.

5. **BUDGETARY FRAMEWORK**

- 5.1 It is believed that the increased cost to the Council of providing refreshments before the meeting can be met within the current budget for refreshments at meetings. However this will need to be reviewed in 12 months.

6. **ALTERNATIVE OPTION(S) CONSIDERED**

- 6.1 It would be possible to continue with the approach at present, however attendance at meetings has typically been low and at present no defined remit is known to be held by officers.

7. **BACKGROUND**

- 7.1 Officers of the District Council have felt for sometime that Planning Forum is struggling and needed a defined remit. Following a survey of members in 2011 it was found that members of the forum agreed.

- 7.2 A draft proposal was outlined to the Forum in September and consulted on at the end of 2011. No negatives comments on proposal were received but some aspects of clarification have been included within the proposal as an outcome of the consultation.

- 7.3 Ramblers, Warwickshire Area have suggested the following additions to the proposal which have not been included and the views of the forum would be appreciated on these:

- (1) that additional point under section1: To discuss issues of general planning concern or interest raised by the forum.
- (2) Under section 5 amend the exclusion of the public to enable them to attend as observers.

1. Purpose

- To educate Members of the Forum, and, thereby, the wider public, in the planning system and its operation;
- To inform Members of the Forum on the development of planning policy affecting the District; and,
- To discuss and receive feedback from Members of the Forum on the District Council's operation of the planning system within the District (excluding discussion on any 'live cases', i.e. current planning applications, proposals yet to be submitted as planning applications, or ongoing enforcement investigations).

2. Why do we do it?

- To improve understanding of the planning system and its operation amongst our partners, and to improve the quality of their input into the planning process;
- To involve and raise awareness of our partners with the development of planning policy within the District;
- To help improve our service and to understand the views of our partners

3. When is it?

- The Forum shall meet regularly twice yearly in April and October on either a Monday or Thursday evening at 6pm.
- Other Forums may be held as required
