## 1. **SUMMARY**

- 1.1 Suggested changes to the council's policy on the age of vehicles.

## 2. **RECOMMENDATION**

- 2.1 Members are asked to accept the suggested two changes to the council's policy on the age of vehicles and that the council's policy should reflect these changes.

(1) That the maximum age for private hire vehicles, upon first licensing remain at 5 years and the exceptional condition clause removed. (paragraphs 3.1 to 3.2 below refer)

(2) That the age limit for purpose built hackney carriage vehicles (including London Cabs) should be 12 years. (paragraphs 3.3 to 3.4 below refer)

## 3. **REASONS FOR THE RECOMMENDATION**

- 3.1 At present, under the council's policy no new private hire licences are issued to vehicles over 5 years old unless the vehicle is in exceptional condition. The exceptional condition clause was added as it was considered that a challenge might be mounted in its absence. However, it is now causing officers considerable problems when a decision on the vehicle's condition is required if it is older than 5 years.
- 3.2 A Crown Court case (*R v Hyndburn Borough Council, ex p Rauf and Kasim*) has now established that it is not unreasonable for councils to adopt an age limit without an exceptional condition clause, as long as the policy reflects this.
- 3.3 At present the council's policy shows that the maximum age that private hire and hackney carriages are able to be continually licensed is 8 years (London cab vehicles are 10 years). Vehicles that are between 5 and 8 years old have to submit to two MOT/inspections every year.
- 3.4 Officers have been approached by owners of purpose built hackney carriages wishing for this age limit to be raised, especially in light of the current economic climate and the cost of replacement of this type of vehicle.
- 3.5 Officers suggest the current policy regarding hackney carriage non-purpose built vehicles and private hire vehicles should remain a maximum age limit of 8 years as, by this time, they are generally not suitable to be re-licensed and their replacement cost is not excessive.

## 4. **ALTERNATIVE OPTION CONSIDERED**

- 4.1 The alternative is to leave the policy as it stands.

## 5. **BUDGETARY FRAMEWORK**

- 5.1 This report has no budgetary considerations for the Council.

## 6. **POLICY FRAMEWORK**

6.1 None

7. **BACKGROUND**
