They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

This is a residential street with some shops. The property is adjacent to residential property. I am concerned that the proposed trading/licence hours will result in a) increase in noise and disturbance to local residents, particularly in the evenings, b) increase in drunken and disorderly behaviour on the street. We already have regular issues with broken bottles, half empty drinks glasses etc left on our wall or outside our gate by people walking home from town. I am concerned this will increase with a licenced drinking premises on our doorstep. I am also concerned that the proposed licence hours every day of the week seem to be later than the hours of other venues in town. Other premises seem to have closing times/licence end times earlier, at least on sun - wed. So the proposed licence hours could make the premises a destination for "one last drink", exacerbating the above concerns.

Premises Licence Application - Gin and Cocktail Place, 40 Clarendon Street, Leamington Spa, CV32 4PG – ref WDCPREM01045- Environmental Health Representation in respect of Nuisance

I write in response to your statutory consultation of Environmental Health dated 6th June 2022.

The premises is currently a vacant shop with a large shop window at the end of a group of shops.. It shares a party wall with the adjoining house. There are further houses close by on that side of Clarendon Street and directly opposite the front door on the opposite side of Clarendon Street.

There is no outside area for smoking. Smokers would have to gather in the street to the front of the premises.

Potential For Nuisance

There is potential for noise nuisance:-

1. through the party wall to the house attached
2. noise break out through the shop window
3. Noise escaping on opening of the door
4. Noise from customers smoking at the front of the premises late at night
5. Noise from customers entering and leaving the premises late at night.

Whilst the road is busy during the day, the street noise is much reduced in the evening. The noise described at points 2, 3, 4, 5 is likely to be apparent at the façade of the house next door and the houses s on the opposite side of the road.

Recommended Licence Conditions To Prevent Public Nuisance

If the Licensing Panel are minded to grant the application for sale of alcohol , Environmental Health recommend that the premises close at 11pm.

The applicant has not asked for regulated entertainment . The premises is unsuitable for regulated entertainment late at night. Environmental Health would oppose such an application.

WE recommend that a condition is imposed which requires the premises to close at 11pm.

Any proposals to introduce new ventilation equipment or cooking plant, may give rise to noise nuisance to the adjoining residence. Without prejudice to the recommended Licence conditions , it is recommended that the applicant apply for Planning consent for the change of use and/or new plant if they have not already done so.

Dear Mr Withers

The Licensing Act 2003

Application for a premises licence: That Gin and Cocktail Place Leamington Spa

This Service is in receipt of a copy of your application for a premises licence in respect of the Licensing Act 2003. In our capacity as a Responsible Authority under the Act, I have examined your application and note that you have included reference to Challenge 25, a refusals book and staff training.

My primary concern, as I am sure you will appreciate, is preventing the sale of alcohol to children and it is in this respect that I write to you now.

In view of the above, I am currently minded to make representations to the Licensing Authority in respect of your application as it is our opinion that the licensing objectives will not be complied with if you were to take only those measures you have currently detailed in your operating schedule.

This Service suggests that measures covering the following would also be beneficial to avoid underage sales of alcohol.

A prompt or reminder to staff, at the point of sale, to consider whether a sale or challenge ought to be made (for example an EPOS - Electronic Point of Sale - system till prompt or if not then written notices/stickers at the till point showing age limits)

If you are willing to include this additional measure, please confirm in writing, to both this Service and the Licensing Authority, that you want your operating schedule amended to reflect this measure.

Yours sincerely

This should include a back-up system to ensure there is no failure to record. Recording equipment shall be housed in a secure room/cabinet where access and operation is strictly limited to authorised persons.
15. Unauthorised persons should not be allowed access to the system or view personal data as it could contravene the Data Protection Act or jeopardise any criminal investigation.
16. In the event of a system malfunction, the Licence holder or a nominated person must immediately notify their Local Council and Warwickshire Police Licensing Department. Details of such malfunction must be recorded in the premises incident book. Arrangements for its repair must be made without delay. The Licensing Authority and Police Licensing must be notified when the operation of the system is restored.

Good Afternoon,

Thanks for taking my call regarding the recent new premises license application for The Gin & Cocktail Place on Clarendon Street, Leamington Spa. As mentioned, we now have a more detailed, specific requirement for CCTV within licensed premises.

I have set out our 'standard' requirements for CCTV below. Could you please review and confirm you are ok with the below ASAP so we can agree before any license is granted.

The applicant shall co-operate with Police Officers of the Local Authority in the implementation of any initiatives to combat crime, disorder, antisocial behaviour, or nuisance in the vicinity.

All staff to be trained in the prevention of underage sales to a level commensurate with their duties. 2. All such training to be updated as necessary for instance when legislation changes and should include training on how to deal with difficult customers. The training should be clearly documented and shall be available for inspection on request by an authorised officer of the Licensing Authority or an officer of the Police. 3. An approved proof of age scheme shall be adopted and implemented. 4. Challenge 25 posters to be advertised within the premises. 5. Photographic identification shall be requested before any alcohol is sold to any person who appears to be under 25 years of age. Acceptable proof of age shall include identification bearing the customers photograph, date of birth and integral holographic mark or security measure. Suitable means of identification would include PASS approved proof of age card, photo-card driving licence and passport.

CCTV

CCTV REQUIREMENT - The Applicant shall ensure that CCTV is installed and maintained to the satisfaction of the Police and Licensing Officers and shall ensure :-

1. A minimum of one high resolution colour day/night camera, complete with an auto iris vari-focal lens, fitted in a heated weatherproof external housing, for external coverage of entrances.
2. A minimum of one high-resolution colour camera complete with an auto iris vari-focal lens shall be fitted to each public entrance/exit. Door entrance cameras must be capable of providing good quality head and shoulder images of persons entering/leaving the premises, in order to provide assistance with identification of patrons, if required.
3. There must be sufficient cameras located within the premises to cover all public areas, that are capable of providing good quality head and shoulder images of persons within the premises (in order to provide assistance with identification of patrons, if required). These cameras must be able to operate within the normal operational lighting levels of the premises.
4. Lighting in the foyer and outside must be of sufficient brightness to enable camera images to be recorded to the quality stated at condition 2 above.
5. All equipment shall have constant time/date generation. This shall include a system to ensure automatic update in relation to the beginning and end of British Summer Time etc. If the system is not capable of achieving this requirement the Licence holder or a nominated person must ensure that a manual facility is available to carry out this update as an alternative.

Recording/image capture system

6. The system must be capable of downloading/copying all the stored CCTV footage to another medium in its native format, i.e. an USB that can be played back via a windows based computer.
7. There shall be sufficient members of trained staff available during the hours of operation of the premises to be able to download evidence at the request of the Police or an Authorised Officer of the Council.
8. CCTV warning signs shall be fitted in public areas of the premises.
9. The CCTV system must be maintained and checked every twelve months to ensure the system is operating correctly. The installing/maintenance company must produce a letter confirming that the system is fully functional and meets the specified requirements.
10. Recordings must be kept for a minimum of 31 days.
11. Images must be recorded at a minimum of 12 frames a second.
12. Recordings of incidents at the premises must be made secure for inspection by the Police and or Licensing Officers.
13. An Authorised Officer may, at any time, request a recording. Failure to comply with this request will be regarded as a serious breach of this condition.
14. The Licence holder or a nominated person must be able to demonstrate that they operate a recording management system that prevents recordings being tampered with, stolen, and misplaced. This should include a back-up system to ensure there is no failure to record. Recording equipment shall be housed in a secure room/cabinet where access and operation is strictly limited to authorised persons.
15. Unauthorised persons should not be allowed access to the system or view personal data as it could contravene the Data Protection Act or jeopardise any criminal investigation.
16. In the event of a system malfunction, the Licence holder or a nominated person must immediately notify their Local Council and Warwickshire Police Licensing Department. Details of such malfunction must be recorded in the premises incident book. Arrangements for its repair must be made without delay. The Licensing Authority and Police Licensing must be notified when the operation of the system is restored.

STATEMENT OF LICENSING POLICY

INTRODUCTION

1.1 Warwick District Council ('the Council') has a duty under the terms of the Licensing Act 2003 ('the Act') to carry out its functions as the Licensing Authority with a view to promoting the following licensing objectives:

- **The prevention of crime and disorder**
- **Public safety**
- **The prevention of public nuisance**
- **The protection of children from harm**

1.2 The promotion of these objectives is the paramount consideration when determining an application and any conditions attached to an authorisation.

1.3 Warwick District Council (WDC) is situated in the south of Warwickshire in the centre of England. Appropriately for England's heartland, Warwick District Council's boundaries are roughly heart-shaped, embracing an area of some 28,253 hectares with a population exceeding 138,400 people. The District covers four towns, Royal Leamington Spa, Warwick, Kenilworth and Whitnash as well as a large rural area with 18 Parish Councils. It is acknowledged that the town centres have a large proportion of residential premises.

1.4 This statement of licensing policy relates to all those licensing activities identified as falling within the provisions of the act, namely:

- **The sale by retail of alcohol**
- **The supply of alcohol by clubs**
- **The provision of regulated entertainment**
- **The provision of late night refreshment**

For the purposes of this document any reference to an 'authorisation' means a Premises Licence, Club Premises Certificate, Temporary Event Notice (TEN) and where appropriate to the context a Personal Licence.

1.5 The Licensing Authority recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Licensing Authority will therefore continue to work with the Responsible Authorities, the South Warwickshire Community Safety Partnership, local businesses and local people to promote the common objectives as outlined. In addition the Licensing Authority recognises its duty under s.17 of the Crime and Disorder Act 1998 with regard to the prevention of crime and disorder.

- 1.6 This policy statement has been prepared in accordance with the provisions of the Act and the guidance issued under s.182 of the Act. The policy statement is valid until 5th January 2026. This policy statement will be subject to review and further consultation prior to any substantial changes.
- 1.7 A list of contact details for the Responsible Authorities authorised under the act is attached to this policy statement as Appendix 2.
- 1.8 The Licensing Authority has recognised Warwickshire County Council as the local body competent to advise it on the protection of children from harm and has designated it as a responsible authority for the purposes of s.13 of the Act.
- 1.9 The Licensing Authority will, when acting as a responsible authority, act in accordance with the guidance issued under s.182 of the Act wherever possible. In particular, it will not normally intervene in applications where the issues are within the remit of another responsible authority and will ensure an appropriate separation of responsibilities between the officer administering an application and an officer acting as a responsible authority.

Public Health as a Responsible Authority

- 1.10 There is not a specific licensing objective related directly to health within the current legislation. When making a representation, the Director of Public Health will be required to relate such representations and available data to the other licensing objectives. This may include underage drinking, prevention of accidents, injuries and other immediate harms that can result from alcohol consumption.
- 1.11 Health bodies hold valuable information which may not be recorded by other agencies, including analysis of data on attendance at emergency departments and the use of ambulance services following alcohol related incidents. Sometimes it may be possible to link ambulance callouts and attendance to irresponsible practices at specific premises. Anonymised data can be collated about incidents relating to specific premises and presented to Licensing Sub-Committees when representations are made.

CONSULTATION

- 2.1 Before publishing this policy statement the Licensing Authority has consulted and given proper consideration to the views of the following in line with the statutory guidance.
 - The Responsible Authorities
 - Representatives of current licence and certificate holders
 - Representatives of local businesses
 - Representatives of local residents

FUNDAMENTAL RIGHTS

- 3.1 Under the terms of the Act any person may apply for a variety of authorisations and have each application considered on its individual merits. Equally, any person has a right to make relevant representations on an application or to seek a review of a licence or certificate where provision has been made for them to do so in the Act.
- 3.2 Applicants and those making relevant representations in respect of applications to the Licensing Authority have a right of appeal to Warwickshire Magistrates' Court against the decisions of the Licensing Authority.

LICENSING CONDITIONS

- 4.1 Licensing is about regulating the carrying on of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Act. 'Premises' includes open spaces. Conditions attached to various authorisations will be focused on matters that are within the control of the individual licensees and others in possession of relevant authorisations. Accordingly, these matters will centre on the premises being used for licensable activities and the vicinity of those premises. If there is an incident or other dispute, the Licensing Authority will primarily focus on the direct impact of the activities taking place at licensed premises on members of the public living, working or engaged in other normal activities in the area concerned.
- 4.2 The Licensing Authority can impose conditions if it has received a relevant representation or if such conditions are consistent with the operating schedule.
- 4.3 When considering any conditions, the Licensing Authority acknowledges that licensing law should not be seen as the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises and therefore beyond the direct control of the individual club or business holding the licence, certificate or authorisation concerned. Nonetheless, it is a key aspect of general control and licensing law will always be part of a holistic approach to the management of the evening and night time economy. For example, applicants should note that stricter conditions to control noise are likely to be imposed in the case of premises situated in largely residential areas.
- 4.4 The Licensing Authority will not impose standard licensing conditions on licences or other relevant types of authorisation across the board. Therefore, the Licensing Authority will attach conditions to relevant authorisations which are tailored to the individual style and characteristics of the premises and events concerned and that are appropriate to promote the licensing objectives in the light of any representations received.

- 4.5 The Licensing Authority has produced a set of model conditions, which is aimed at assisting and supporting applicants through the application process. The model conditions would also assist the Licensing Authority and Responsible Authorities in deciding which conditions would be appropriate to add to a licence. The model conditions may be found at the end of this policy as Appendix 1.

OPERATING HOURS

- 5.1 The Licensing Authority welcomes the opportunities afforded to the local economy by the Act and will strive to balance this with the rights of local residents and others who might be adversely affected by licensable activities based on the principles laid down in this document.
- 5.2 When dealing with licensing hours, each application will be dealt with on its individual merits. The Licensing Authority recognises that longer licensing hours with regard to the sale of alcohol can assist to avoid concentrations of customers leaving premises simultaneously thereby reducing the friction at late night fast food outlets, taxi ranks and other forms of transport which can lead to disorder and disturbance. The Licensing Authority does not wish to unduly inhibit the development of thriving and safe evening and night time local economies which are important for investment and employment locally and in the main welcomed by residents and visitors to the District.
- 5.3 The Licensing Authority will not set fixed trading hours within designated areas. However, an earlier terminal hour and stricter conditions with regard to noise control than those contained within an application, may be appropriate in residential areas where relevant representations are received and such measures are deemed appropriate to uphold the licensing objectives.
- 5.4 Shops, stores and supermarkets will generally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping, unless there are relevant representations giving good reasons based on the licensing objectives for restricting those hours.

LATE NIGHT LEVY AND EARLY MORNING RESTRICTION ORDERS

- 6.1 The Licensing Authority, having not been presented with any evidence to the contrary, does not consider that the application of a Late Night Levy or Early Morning Restriction Order are appropriate for the Licensing Authority's area at the present time. The Licensing Authority will keep these matters under review and accordingly reserves the right, should the need arise, to introduce these measures during the life of this statement of licensing policy.

CUMULATIVE IMPACT ASSESSMENT

- 7.1 For the purposes of this document 'cumulative impact' means the potential impact on the promotion of the licensing objectives of a significant number of licensed premises concentrated in one area. Cumulative impact is a proper matter for the Council to consider in developing its licensing policy. This should not be confused with 'need', which concerns the commercial demand for another particular type of premises. Government guidance states that 'need' is not a matter for the Licensing Authority but is a matter for the Planning Authority and the free market.
- 7.2 The Licensing Authority has not been presented with sufficient evidence to consider any area within the District to currently have a particular concentration of licensed premises causing a cumulative impact on one or more of the licensing objectives. The Licensing Authority will keep this matter under review and accordingly reserves the right, should the need arise, to introduce a special policy concerning cumulative impact during the life of this statement of licensing policy.
- 7.3 The absence of a special policy does not prevent any responsible authority or any other party from making representations on a new application for the grant of a licence on the grounds that the premises will give rise to a negative cumulative impact on one or more of the licensing objectives. The Act allows for such consideration but the individual merits of each application must always be considered.

PROMOTION OF THE LICENSING OBJECTIVES

Prevention of Crime and Disorder

- 8.1 Licensed premises, especially those offering late night/early morning entertainment or alcohol and refreshment can sometimes be associated with elevated levels of crime and disorder.
- 8.2 The Licensing Authority expects individual licence/certificate holders, new applicants and temporary event organisers, to regularly review their arrangements in addressing crime and disorder issues pertinent to their particular licensable activities, location and/or premises. Information and advice can be obtained from the Police, business network groups and other sources. The Licensing Authority also encourages local residents and other businesses, where appropriate, to discuss issues of concern directly with individual businesses, or, to contact the Police or the Licensing Authority.
- 8.3 The Licensing Authority will, through its Community Safety Partnership devise and help deliver strategies to tackle the misuse of alcohol, which has been identified as being a precursor to crime and anti-social behaviour. The Licensing Authority expects existing licence/certificate holders, new applicants and the organisers of temporary events, to be able to demonstrate the measures they

use, or propose to adopt, to prevent and actively discourage the sale/supply of alcohol to children and to individuals who are already drunk.

- 8.4 The risk assessment approach remains fundamental in the operation of all licensed premises. Licence/certificate holders and applicants are strongly recommended to work closely with the Police in particular, in bringing into effect appropriate control measures to overcome established and potential problems. A combination of short and longer term strategies may need to be deployed by holders of authorisations to sustain and promote the prevention of crime and disorder.
- 8.5 The Licensing Authority will expect new applicants, existing licence/certificate holders and organisers of temporary events to adopt recognised good practice in whatever area of operations they are engaged. The Licensing Authority will regard each responsible authority as the expert in their respective field and in some cases as the primary source of advice in relation to a particular licensing objective.
- 8.6 Queues at late night take-aways can be a source of disorder and applicants for premises licences for this type of premises are expected to address this in their operating schedule.
- 8.7 The Licensing Authority has specific duties under s.17 of the Crime and Disorder Act 1998 that underpins any control strategy that is employed. The Licensing Authority will continue to work in partnership with the Police in addressing crime and disorder issues.
- 8.8 The Licensing Authority is of the view that generally, in order to promote the licensing objectives, all licensed premises within the District are encouraged to be members of the relevant local Pubwatch Scheme, or any similar scheme, where one exists.
- 8.9 The Licensing Authority and Police have a zero tolerance of drug use in licensed premises but recognise that drug use is not something that is relevant to all licensed premises. However, it is recognised that special conditions may need to be imposed for certain venues to reduce the likelihood of drugs being sold and consumed and to create a safer environment for those who may have taken them.
- 8.10 Once away from licensed premises a minority of consumers may behave badly and unlawfully. There are other mechanisms both within and outside the licensing regime that are available for addressing such issues. The Licensing Authority will address a number of these issues through the Community Safety Partnership in line with the strategic objectives for crime and disorder reduction and drug and alcohol misuse within the District.
- 8.11 In relation to premises seeking or holding a premises licence and where alcohol will be sold under the terms of that licence, the Licensing Authority expects that

(a) any Designated Premises Supervisor (DPS) will have been given sufficient management authority and be able to exercise effective day-to-day control of the premises and (b) authority to make alcohol sales when given by the DPS or any other Personal Licence holder should be clearly evidenced in writing. This is to ensure that premises selling alcohol are properly managed in accordance with the Act and that premises operate in a way that promotes the prevention of crime and disorder. This will also benefit operators themselves through being able to demonstrate a commitment to the proper management of premises, particularly if enforcement action becomes necessary.

Promotion of Public Safety

- 8.12 Public safety is not defined within the act, but the Government guidance advises that it is concerned with the physical safety of people using the premises and not with public health, which is covered by other legislation.
- 8.13 Applicants and event organisers will be expected to assess not only the physical environment of the premises or site but also operational practices, in order to protect the safety of members of the public visiting the premises or site, those who are employed in the business, those who are engaged in running an event or anyone else that could be affected by site activities. This assessment would normally take place within a risk assessment framework.
- 8.14 Holders of premises licences and club certificates, or those organising temporary events, should interpret 'public safety' widely to include freedom from danger or harm.
- 8.15 For licensed or certificated premises and for temporary events, public safety must be kept under review and where changes to operational practices/events occur, or the customer profile changes, a review of risk assessments must be undertaken.
- 8.16 Fire safety is governed by the Regulatory Reform (Fire Safety) Order 2005 and is not something with which the Licensing Authority will normally become involved.

Where a Responsible Authority has recommended a safe capacity limit on all or part of a premises the Licensing Authority will normally expect an applicant/authorisation holder to follow such a recommendation unless there are good reasons for not doing so.

Prevention of Public Nuisance

- 8.17 The Licensing Authority remains sensitive to the expectations and needs of different parts of the community in respect of leisure and cultural pursuits, and will view applications accordingly. The impact of those activities on people who have to live, work and sleep within the local vicinity of a licensed premises or event will also be considered. If the impact of licensed activities is

disproportionate and unreasonable or markedly reduces the amenity value of the area to local people, then the Licensing Authority will take account of this when exercising its functions.

- 8.18 The Licensing Authority considers that the potential for public nuisance can be prevented or much reduced by good design and planning during new or ancillary construction works, by the provision of good facilities and effective management. This will require appropriate advice at the planning and development stages of new projects. Applicants should consider carefully the suitability of the premises for the type of activity to be undertaken, particularly in terms of ventilation, cooling, noise breakout and noise/vibration transmission to adjoining premises.
- 8.19 Licence holders already in receipt of complaints should seek an early remedy to any confirmed problem. The organisers of temporary events should seek to pre-empt potential nuisance, especially if complaints have previously arisen at the same venue.
- 8.20 The Licensing Authority expects holders of authorisations to use their risk assessment and operating schedules to review and, if need be, to make necessary improvements to the premises or to operational practices, in order to prevent public or statutory nuisance.
- 8.21 Where the provisions of existing legislation prove inadequate or inappropriate for control purposes, the Licensing Authority will consider imposing licence conditions. Any condition deemed appropriate and imposed by the Licensing Authority to promote the prevention of public nuisance will focus on measures within the direct control of the licence holder or designated premises supervisor.
- 8.22 Any such conditions imposed will be tailored to the style and characteristics of the premises and the type of activities expected to take place. Any conditions added will be precise and enforceable and will be unambiguous and clear in what they intend to achieve.

Protection of Children from Harm

- 8.23 The Act details a number of legal requirements designed to protect children in licensed premises. The Licensing Authority is concerned to ensure that holders of authorisations, including organisers of temporary events, create safe environments (in terms of physical, moral and psychological welfare) for children who may be on the premises. Children should be unable to access alcohol or drugs and be subject to an appropriate level of care and supervision at all times.
- 8.24 The Act prohibits children under the age of 16 years old and unaccompanied by an adult, to be present in licensed premises (including premises operating under a TEN) being used primarily or exclusively for consumption of alcohol.

- 8.25 The admission of children to any premises will otherwise normally be left to the discretion of the individual licensee/event organiser, as the Act does not prohibit children from accessing licensed premises. Where children are accompanied and supervised by a responsible adult, additional measures, should not normally be necessary. The Licensing Authority supports the view that children should enjoy access to a range of licensed premises, but cannot impose conditions requiring the admission of children to any premises.

The Licensing Authority will judge the merits of each application before deciding whether or not to impose conditions restricting access by children. Conditions which may be relevant in this respect are outlined in the Government Guidance.

- 8.26 In premises where alcohol is sold or supplied it is a mandatory condition that premises licence holders will operate a recognised Age Verification Scheme. The Licensing Authority supports the Challenge 25 scheme and where this is not proposed within the operating schedule, alternative and similarly rigorous controls should be detailed. The Licensing Authority recommends that the premise licence holder operates a method for recording when a sale is refused as part of any age challenge scheme (also known as a refusals book).
- 8.27 The Licensing Authority expects that customers should be confronted by clear and visible signs on the premises that underage drinking constitutes an offence in law and that they may well be required to produce proof of their age to a member of staff. Organisers of temporary events should apply similar safeguards in their undertakings.
- 8.28 Venue operators seeking premises licences and club premises certificates can volunteer prohibitions and restrictions in their operating schedules because their own risk assessments have determined that the presence of children is undesirable or inappropriate. These will become conditions attached to the licence or certificate where no relevant representations are received by the Licensing Authority.
- 8.29 The Licensing Authority regards Warwickshire County Council as being the primary source of advice and information on children's welfare and would normally expect any advice/recommendations from the County Council to be followed unless there are good reasons for not doing so. The Licensing Authority will attach appropriate conditions where these appear necessary to protect children from moral, psychological or physical harm. It is also reasonable for the licensing authority to expect the responsible authorities to intervene where the basis for the intervention falls within the remit of that other authority. For example, the police should take appropriate steps where the basis for the review is concerned about crime and disorder or the sexual exploitation of children.
- 8.30 The Licensing Authority will consider the need to protect children from sexual exploitation when undertaking licensing functions.

- 8.31 In order to prevent children from seeing films incompatible with their age, licence holders who exhibit films will be expected to impose and enforce viewing restrictions in accordance with the recommendations of the British Board of Film Classification. In exceptional cases e.g. where the BBFC has not classified a film then the Licensing Authority may specify viewing restrictions which an authorisation holder will be expected to comply with.
- 8.32 It is expected that authorisation holders will ensure that, whenever children are in the vicinity of a film or exhibition that is being shown/staged in a multi-purpose premises, sufficient ushers/stewards (minimum 18 years old) will be in attendance at the entrance the viewing rooms at all times to ensure children cannot enter or view the film or exhibition.
- 8.33 Children have access to a range of regulated public entertainment venues and may be present as members of a viewing audience or as performers in their own right. The Licensing Authority expects authorisation holders including those organising temporary events, to make proper provision for child safety and welfare during such events. Notwithstanding public safety issues, supervisory arrangements must be reflected within operating schedules. Suitable monitoring strategies should also be in place to ensure that supervisory levels are appropriate.
- 8.34 Where a large number of children are likely to be present on any licensed premises, for example, a children's show or pantomime, the Licensing Authority may require that there is an adequate number of adult staff at places of entertainment to control access and egress of children and to protect them from harm. Children present at events as entertainers will be expected to have a nominated adult responsible for each child performer.

MANDATORY LICENSING CONDITIONS

- 9.1 The Government has introduced a range of mandatory conditions aimed at establishing minimum standards for the way certain licensable activities are conducted. The conditions apply to all appropriate premises. A full list of the mandatory conditions can be found on the Gov.uk website.

OTHER CONSIDERATIONS

Relationship with Planning

- 10.1 The planning and licensing regimes involve consideration of different (albeit related) matters. The Council's Licensing and Regulatory Committee and Sub – Committees are not bound by decisions made by the Council's Planning Committee and vice versa.
- 10.2 The grant of any application or variation of a licence which involves a material alteration to a building would not relieve the applicant of the need to apply for planning permission or building control approval where appropriate.

- 10.3 There are also circumstances when as a condition of planning permission; operating hours are set for the use of the premises for commercial purposes. Where these hours are shorter than the licensing hours, the applicant must observe the planning restrictions. Premises operating in breach of their planning consent would be liable to enforcement action under planning law.
- 10.4 The Local Planning Authority may also make representations against a licensing application in its capacity as a Responsible Authority, where such representations relate to one or more of the licensing objectives.

Applications

- 10.5 An applicant may apply under the terms of the Act for a variety of authorisations and any such application will be considered on its individual merits. Any person may make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the Act.
- 10.6 The Licensing Authority expects each and every applicant for a premises licence, club premises certificate or variation to address how they intend to promote the licensing objectives.
- 10.7 In determining a licence application the Licensing Authority will take each application on its merits. Licence conditions will only be imposed following a hearing or in order to promote the licensing objectives and will only relate to matters within the control of the applicant. Licence conditions will not normally be imposed where other regulatory provisions are in force (e.g. planning, health and safety at work, fire safety and building control legislation) so as to avoid confusion and duplication, except where they can be exceptionally justified to promote the licensing objectives.
- 10.8 The Licensing Authority will impose only such conditions as are proportionate towards promoting the licensing objectives and which do not impose unnecessary burdens and which are appropriate to the individual size, style and characteristics of the premises and events concerned.
- 10.9 In considering applications, the Licensing Authority will primarily focus on the direct impact of activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned. The Licensing Authority recognises that licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned.
- 10.10 Conditions include any limitations or restrictions attached to a licence, certificate or other authorisation and essentially are the steps or actions the holder of the authorisation will be required to take or refrain from taking at all times when licensable activities are taking place at the premises in question.

Deregulated Public Entertainment

- 10.11 As a result of the Live Music Act 2012 and The Legislative Reform (Entertainment Licensing) Order 2014 most public entertainment taking place between 08:00 and 23:00 hrs has, subject to certain conditions, been deregulated and removed from the scope of Licensing Authority control. No authorisation is required where public entertainment is being provided under these statutory exemptions. However, if exempt public entertainment is or will be taking place as well as licensable activities (e.g. selling alcohol) then an authorisation covering the licensable activities will still be required. Operators of 'on-licensed' premises should also note that it is possible to re-introduce full licensing controls over public entertainment where a premises licence or a club premises certificate has been reviewed and a Licensing and Regulatory Sub-Committee determines that it is appropriate for such controls to be re-introduced.

Public Spaces Protection Order

- 10.12 At the time of writing, The Warwick District Public Spaces Protection Order (PSPO) (Introduced by The Anti Social Behaviour, Crime and Policing Act 2014) are under review. Regardless of the outcome of the PSPO review the local authority must have regard to section 62 and 63 of the 2014 Act which limits what can be restricted in relation to alcohol. For example, where a PSPO covers alcohol prohibition, section 62 of the 2014 Act lists a number of premises to which an Order cannot apply – such as on licensed premises (or within its curtilage), premises which by virtue of Part 5 of the Licensing Act 2003 may at the relevant time be used for the supply of alcohol, or facilities or activities relating to the sale or consumption of alcohol which are at the relevant time permitted by virtue of a permission granted under section 115E of the Highways Act 1980 (highway-related uses). Section 63 makes it an offence only when a person refuses or fails to comply with a reasonable requirement from an authorised person not to consume or surrender alcohol.

BEST PRACTICE SCHEMES

- 11.1 The Licensing Authority supports best practice schemes for licensed premises. Premises in an area covered by a scheme are encouraged to become members of the scheme.

INTEGRATING STRATEGIES AND THE AVOIDANCE OF DUPLICATION

- 12.1 By consulting widely prior to this policy statement, the Licensing Authority has taken full account of local policies covering crime prevention, anti-social behaviour, culture, transport, planning and tourism as part of an integrated strategy for the Licensing Authority, Police and other agencies. Many of these strategies may not be directly related to the promotion of the licensing objectives, but indirectly impact upon them.

12.2 There are a number of wider issues which may need to be given due consideration when dealing with applications. The Council's Licensing and Regulatory Committee can request reports, where it thinks it is appropriate on the following areas:-

- The needs of the local tourist economy, to ensure that these are reflected in their considerations;
- The employment situation and the need for new investment and employment where appropriate; and
- The general impact of alcohol related crime and disorder.
- The general impact of alcohol related harms to health.

Crime Prevention Strategies

12.3 Crime prevention and drug and alcohol misuse policies and the input of the South Warwickshire Community Safety Partnership (SWCSP) will be reflected in licence conditions as far as possible.

12.4 The SWCSP is committed to making South Warwickshire a safe place in which to live work and visit. It is the role of the SWCSP to strategically plan, commission and oversee services that tackle crime and disorder and address drug and alcohol misuse.

Duplication

12.5 When considering any application the Licensing Authority will avoid duplication with other regulatory regimes as far as possible. Therefore the Licensing Authority will not attach conditions to a licence in relation to a matter covered by another regulatory regime unless going beyond such a regime is considered appropriate for the promotion of the licensing objectives in the particular circumstances.

Promotion of Equality

12.6 The Licensing Authority in carrying out its functions under the Act is obliged to have 'due regard' to the need to eliminate unlawful discrimination, harassment and victimisation, to advance equality of opportunity and to foster good relations between persons with different protected characteristics. The protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Government guidance advises that conditions should not be attached to authorisations which would duplicate existing statutory requirements. The Licensing Authority therefore takes this opportunity to remind operators of premises of their duties towards disabled persons (including performers) on their premises under the Building Regulations and the Equalities Act 2010. This includes a duty that any person who provides a service to the public must make

reasonable adjustments to any physical feature that makes it impossible or unreasonably difficult for a disabled person to access a service, or to provide the services by a reasonable alternative means.

ENFORCEMENT

- 13.1 The Licensing Authority has an established working relationship with the Police and other responsible authorities on enforcement issues through the Multi Agency Licensing Enforcement Meeting. This provides a more efficient deployment of resources targeting high risk premises and activities.
- 13.2 This enforcement regime follows the Government's Regulators' Code in that it follows the basic principles of openness, helpfulness, proportionality and consistency. The Licensing Authority has a separate enforcement policy in respect of licensing.
- 13.3 Licensed premises are visited by the Responsible Authorities and the Licensing Authority to carry out targeted inspections to check that the premises licence or certificate is being complied with, to check compliance with other legislation and/or deal with complaints that have been received.
- 13.4 On some occasions a multi-agency group (representing a number of Responsible Authorities) will visit premises. The officers will check the premises/activities relevant to their particular role.
- 13.5 There are several enforcement options that will be used as appropriate and in line with the Licensing Authority's licensing enforcement policy. These options include:
 - Verbal advice – this covers minor complaints/infringements where advice is seen as the most appropriate way to deal with the issue.
 - Written warning – this is a step-up from verbal advice and holders of authorisations are given a letter recording the warning given and containing the details of any necessary remedial action.
 - Action planning – this plan will be written down and given to the holder of the authorisation and designated premises supervisor. It explains what actions are required, within a timescale, for compliance with the licensing objectives, specific legislation or conditions. It will be regularly reviewed and if compliance has been achieved it will be terminated. If areas of non-compliance remain a more formal enforcement option further up the scale may be selected in order to achieve compliance.
 - Review – any person may call for a review of a licensed premises where there is evidence that the licensing objectives are not being promoted. The holder of the authorisation will have to attend a review hearing in front of the Licensing Sub Committee who may decide, based on the evidence

submitted to them, to take no action, to remove the DPS, to revoke, suspend, or amend the licence or apply additional conditions.

- Prosecution – Under the Licensing Act 2003 certain offences can be prosecuted by the Licensing Authority/Director Of public Prosecutions/Weights and Measures Authority (Trading Standards). In addition, Responsible Authorities have a wide range of powers to institute prosecution under other specific legislation.
- Closure – several of the Responsible Authorities have the power to close licensed premises if they deem it necessary. The Licensing Authority also has powers to request closure through the Magistrates court for continuing unauthorised alcohol sales.

ADMINISTRATION, EXERCISE AND DELEGATION OF FUNCTIONS

Licensing and Regulatory Committee

- 14.1 The majority of powers given to the Licensing Authority by the Act have been delegated by the Council to the Licensing and Regulatory Committee and Officers. The Licensing and Regulatory Committee has in turn established Sub-Committees to determine some matters under the Act.
- 14.2 The Council's Constitution defines those responsibilities and is available for inspection on the Council's website, but a summary of responsibility is set out in Table 1 below.

Application forms And Process

- 14.5 All application forms will be in the prescribed format. The operating schedule will form part of the completed application form for a premises licence and a club premises certificate. The applicant will have to detail the steps that will be taken to promote the licensing objectives. Applicants should carry out a risk assessment before they apply for a licence.
- 14.6 Applicants are encouraged to fully consult the police and other statutory services well in advance of carrying out their risk assessments and submitting their applications. Application forms and guidance leaflets will be available from the Licensing Authority, including contact names for each of the responsible authorities. Most applications will require additional documentation and a fee to be included with the form. Incomplete applications will not be considered and will be returned to the applicant.
- 14.7 Where national guidance permits, on line applications will be accepted providing the necessary documentary attachments are uploaded into the application and the appropriate fee paid.
- 14.8 Applicants are encouraged to make themselves aware of any relevant planning and transportation policies, tourism and cultural strategies and local crime, alcohol, drug and disorder strategies in order to take these into account, where appropriate, when formulating their operating schedule.

APPENDIX 1 – Set of Model Conditions

Warwick District Council has produced this document to assist and support applicants and existing licence holders through the application process. It has also been designed for the consideration of responsible authorities and the Council's Licensing and Regulatory Committee.

When deciding to grant or vary a premises licence under the Licensing Act 2003, the licensing authority may do so subject to conditions which it considers are appropriate for the promotion of one or more of the licensing objectives.

Those applying for a premises licence, club certificate, variation of a premises licence or variation of a club certificate may also wish to consider those conditions which would promote the licensing objectives when completing the operating schedule.

Additional conditions, or amendments to these model conditions, may be necessary in order to uphold the four licensing objectives. These model conditions are not exhaustive and do not prevent you from volunteering any alternative measures that you believe are more appropriate for your particular premises.

Applicants will also need to consider whether their premises falls with any designated cumulative impact zones (CIZ) as higher standards will be applied.

For premises licences relating to outdoor music events, festivals, etc. applicants are encouraged to read the guidance provided by Warwick District Council's Safety Advisory Group (SAG) for information on planning their events. This can be found at: www.warwickdc.gov.uk/safetyadvisorygroup

Dear Sir,

The Gin and Cocktail Place, 40 Clarendon Street Leamington Spa CV32 4PG

We write to advise you that we wish to oppose the application Under Section 17 of Licensing Act 2003 for the above property. We feel very strongly about this situation as Clarendon Street is overall residential. There are a few commercial units in the street but they are closed for business at around 5.30 pm and do not interfere with residential living. We already have the inconvenience of people leaving the town who have no consideration for residence. Also it would create a problem with parking and the noise with people going and leaving the premises especially if alcohol is involved. Also if they are providing food it would create more Pollution in the close proximity of the property.

There are many empty commercial units in the main town area where there are similar businesses which would be a more suitable position for this type of enterprise.

Trusting you will accept the above opposition seriously with a view to protecting the environment for the existing residents to ensure their enjoyment of living in Leamington Spa

Yours faithfully
